

# Application for WalkWorks

I, \_\_\_\_\_, am the owner of property located at \_\_\_\_\_ in the City of Columbus, Indiana, and do hereby apply to the Columbus Board of Public Works and Safety to participate in the WalkWorks project.

Contact Person	_____	Daytime Phone	_____
Mailing Address	_____	Evening Phone	_____
Location of Request	_____	Length of Sidewalk	_____
	_____	Width of Sidewalk	_____
Other Comments	_____		
	_____		

Draw a sketch of your request. Show street names, dimensions, lot lines, sidewalks to be installed or replaced, driveways and any other pertinent information.

I understand my **WalkWorks** request does not relieve me of any obligation pursuant to City ordinance and/or state law that requires me to maintain the sidewalk adjacent to my property in a safe manner. I understand I am responsible for removing, at my expense, any trees necessary to install the sidewalk. I understand that the City will inspect the work and will participate in the project ONLY if the work is completed according to City Standards and Specifications attached to this application. I understand that I am responsible for paying any and all contractors and/or suppliers with whom I contract.

All form work must be inspected by the Department of Engineering (812-376-2540) before placing of material. All construction must meet the current WalkWorks Specifications of the City of Columbus. This application, if approved, is void if not performed within thirty (30) days of approval.
